

Thank you for participating in the 2010 US Youth Soccer Ohio South State Cup. All preliminary games must be played by April 18th.

No US Youth Soccer Ohio South State Cup match may be officiated by anyone other than a referee assigned by one of the named state cup assignors. The official referee assignors and contact information for each District are listed below.

Scheduling a Preliminary State Cup Match

To request referees for preliminary State Cup matches, you must submit a referee request using the online request form on the State Cup page of the OSYSA website.

http://www.thegameschedule.com/statecup_off/request/game_request.php

It may be helpful to look at the form before completing your request to ensure you have all of the required information. The website will not allow the form to be submitted unless all of the required data is provided.

Requests to assign referees to your preliminary State Cup match must be made at least 1 week before the scheduled match to allow sufficient time for the assignors to assign a qualified crew of officials.

When the form is submitted properly, a copy of the request will be sent to the email address of the individual making the request as well as the appropriate district representatives. You should assume that referees will be assigned to the match unless you are notified, 24 hours in advance, that referees could not be assigned.

GAME CANCELLATION

If you need to cancel a match, please contact the appropriate district referee assignor by email. If the cancellation is within 24 hours of game time, you must also speak to one of the assignors by phone.
