

The Ohio South State Referee Committee (OSSRC) has scheduled and posted notice on the [www.ossrc.com](http://www.ossrc.com) website of the annual Assignor Training Clinic to certify and register new USSF Referee Assignors. The clinic session will to be held at the **MVYSA Office, 7029 Taylorsville Rd., Suite A, Huber Heights, Ohio on Saturday, February 4, 2012.**

This is the only Assignor course to be scheduled for this year, so anyone that needs or desires to become a certified assignor should plan to attend this session in its entirety. **Attendees need to pre-register by mail, in order to guarantee a space in the clinic. Registrations will NOT be accepted at the door, as there will be an extensive amount of clinic pre-work that will be sent to each pre-registrant, which must be completed prior to being admitted to the clinic. This will allow us to reduce the in-class time from 8-hours to 4-hours. The registration deadline is Thursday before 12pm , February 2, 2012.**

The course fee is \$30 and a one-year USSF registration fee is an additional \$30 for a total of \$60. Checks should be made payable to **"OSSRC"**. Please fill out the information below and mail with your \$60.00 check to:

Charlie Keaney  
9164 Cherry Blossom Ln.  
Cincinnati , OH 45231

The clinic session will **begin at 9:00 AM and end about 1:00 PM.** Dress is casual. Please bring a notebook.

Send e-mail pre-registration commitment (or if you have questions) to:

Charlie Keaney  
Ohio South State Assignor Coordinator
