Staff

Qualified coaches from Europe, with playing and coaching experience at the collegiate, amateur and professional levels, will be assisting at the clinics. In addition, several very experienced U. S. coaches, including players who have played soccer throughout their lives, will also be instructing at the camps. Some staff coaches from Holland earn coaching credits for the Dutch coaching licenses. Each and every coach at the OSYSA/Soccer Unlimited camps is an extremely intense teacher of the sport of soccer.
