

**Dear 1993-1998 Parents and Players,**

Congratulations on making it into the Ohio South state pool. We look forward to working with all of you in the next few months as we train and prepare for state team selections and regional camp.

We would like to take a few moments to further explain what will be taking place in the upcoming weeks.

All players on the list posted on the website are considered in the state pool.

- 1) All state pool players will continue to train on the dates specified in the Boys and Girls State Pool Training Schedule posted on the website.
- 2) We will make another selection after the June 20<sup>th</sup> sessions. All players selected to advance after the June 20<sup>th</sup> sessions, will either be a part of the state team or an alternate to the state team.
- 3) State Team and Alternates will be announced approximately two weeks prior to camp.

A total of 18 players and 8 alternates will be named for each team. Exceptions to this are in the 1995 Girls, where we will select two teams to go to camp. Also, In the 1996 through 1998 boys and girls age groups, we will select two teams, however, they will be selected by those born in the first six months of the year and those born in the second six months of the year.

We recognize that regional camp might not be the right fit for everyone. Sometimes the cost to attend regional camp is too high or you have previous family commitments already scheduled. There are also those players who do not do well away from home without their parents. This is why we ask that you and your player review the process, and let us know by May 26 or June 2, (whichever date your age group trains next) what your decision is regarding your participation in ODP Regional Camp. If you are not going to make your age group's next training session, please mail the form to the Ohio South office. 25 Whitney Dr, Suite 104, Milford, OH 45150

Please note if your son or daughter commits to going to camp, our expectation is that if they are selected they will go. All players who decide not to attend camp will be released after June 20. If a player is selected to advance and then decides not to go, they will forfeit half of their camp deposit (\$125.00), and it will be used toward the person chosen to attend in their place. If we cannot find an alternate to replace the player, the full \$250.00 camp deposit will be forfeited. This is done so we may concentrate on preparing those players who are attending Regional Camp. Players who have not paid or not turned in the Commitment letter will be released after June 20.

---

**Please detach this portion of the form and turn it in to your age group administrator at your age group's next training session (May 26 or June 2). Please keep the above information for your records.**
