

Informational Email Sent to Teams on 2/22/19

Dear Governors Cup Team,

We are looking forward to a great tournament and we hope you are too!!!

Schedules

We have now posted the Governors Cup Schedules. The Round Robin weekend will occur May 3rd through 5th. These Round Robin games will occur simultaneously with Presidents Cup. We will be at maximum capacity in regards to field space and time slots, so we will not be able to honor any schedule change requests.

Paperwork

All teams will receive an email from SportsForms around March 15th with instructions on how to submit your event roster for Governors Cup. Teams will need to submit their event roster for approval by no later than Thursday, April 25th. This event roster must include all original players to your team as well as any club pass players your team plans to use for the event. The approved league roster for your team and the team of your club pass players must be attached to your event roster submission you submit through SportsForms.

After your event roster has been approved by the Ohio South office, you will receive an additional email from SportsForms to go in and electronically sign the event roster. Event Rosters are frozen 3 business days prior to the event and no changes may be made after that point. If you have any changes prior to the freeze, please give us a call at 513-576-9555 or email office@osysa.com.

Please Note: Players may only play with one team across all three of our State tournaments (State Cup, Presidents Cup and Governors Cup).

To view the schedules, please visit the [Governors Cup](#) page of our website.

See you on the Fields in May!
