

Email Sent 5/30/19

As everyone is aware, we have had a challenging Spring to date with rain and most recently, tornados in the Dayton area. Most importantly, our thoughts are with all those impacted by these devastating events.

We have had some inquiries about impact – so here are the latest updates for all;

#### **Semi Finals/Finals Schedule on June 1**

- All games are on as [scheduled](#).
- Greene County has verified that the Hobson Complex sustained minimal to no damage. However, from what we understand, the main hotel and restaurant area on Fairfield road that is close by, was impacted in one section. Accordingly, we would recommend that everyone factor in a little more time for travel and definitely check travel time as roads in that area and the surrounding areas may still be impacted.
- **We may not have a food or drink vendor at Hobson this weekend so PLEASE MAKE SURE YOU NOTIFY YOUR FAMILIES TO PACK COOLERS WITH DRINKS AND FOOD FOR THE FAMILY (no alcohol allowed).**

#### **Weather Alerts**

As always, make sure you are signed up for Text Alerts for field and weather updates if they happen. Please send to parents as well. Text **PRESCUPSEMIS** to **41411** to join. You will then receive an auto response: Welcome to PRESCUPSEMIS.

#### **Awards**

Both teams in the Finals should head to the awards area immediately after your game. We will present plaques, medals, and take photos for our website. We are still determining where the awards area will be set up so look for the double pop up tents and speakers! Please check in with the staff at the double pop up tents when you arrive to the awards area after your game so we can slot you in an order for awards.
