Ohio South Youth Soccer Association implements the requirements of Ohio Revised Code 109.575 and Federal legislation, Public Law 115-126, (a.k.a. S.534), in an effort to provide a safe environment for the participants in our programs and events.

12.2 BACKGROUND

As our society's awareness increases about the risks associated with individuals working with children who abuse their authority by committing sexual, physical, mental, and emotional abuse, there is a need to provide a means of protection. In August of 1994, the United States Youth Soccer Association approved the Kidsafe Program and placed it into effect immediately. As a part of this program, each State organization is to develop a written program outlining safety guidelines and procedures.

On August 17, 2018, US Youth Soccer adopted a revised Risk Management Policy for all participants in all US Youth Soccer activities including those of the Ohio South Youth Soccer Association, (a.k.a. - OSYSA). That policy is shown in APPENDIX A to this Section 12 and is incorporated into this Section 12. It is that US Youth Soccer Policy along with the standards of the National Center for Missing and Exploited Children, as well as Ohio Revised Codes 109.574 and 109.575 that is the basis for this OSYSA Risk Management Program.

12.3 APPLICABILITY

This program is applicable either as a requirement or as a recommendation to all adults who are employees and and/ or volunteers within OSYSA and all of its member leagues, associations, sanctioned tournaments and its participating clubs as defined below.

12.3.2 It is recommended that individuals holding one or more of the following positions submit or be required to submit an application to this RMP. Following such submission, the individual for whom the submission was made shall be subject to all of the provisions of this RMP. . In the future, one or more of the positions listed in the Section 12.3.2 may be changed, at the discretion of OSYSA Board of Directors, from one of the “recommended” positions as shown in section 12.3.2 to one of the “required” positions as shown in Section 12.3.1.

- b. **and any other individual, age 18 or older, acting in an official capacity and who may have the opportunity to have direct and unmonitored access to children who are involved with any approved or sponsored program of US Youth Soccer or of Ohio South or any member of Ohio South .**

12.3.3 The term “on a regular basis” as used in this Section 12.3 and elsewhere in this Section 12, shall mean an adult who can reasonably be expected to be in contact, (this includes but is not limited to physical, verbal, via text or e-mail) with any youth athlete or other than their own child, more frequently than once per week.

The term, “has unsupervised access to a child” as used elsewhere in this Section 12, shall, as stated in Ohio Revised Code 109.574, mean either or both of the following situations:

- No other person eighteen years of age or older is present in the same room with the child.
- If outdoors, no other person eighteen years of age or older is within a thirty-yard radius of the child or has visual contact with the child.

All individuals who hold a position as listed in Section 12.3.1 should make every effort to avoid being in any situation where they have unsupervised access to a child, (i.e., they are alone with a youth athlete, as defined above), other than their own child.

Consistent disregard of this guidance may give rise to a degree of concern of the adult’s awareness of the intent of this Risk Management Program. This directive is being provided for the protection of all involved individuals.

Each of the aforementioned individuals as shown in the first sentence of this Section 12.3 must apply to the OSYSA Risk Management Program, (a.k.a. RMP), and receive approval from OSYSA before they may participate in any program or event of OSYSA or of its member leagues or of any club associated with OSYSA.

This RMP does not apply to club linesmen or substitute coaches if they are in the presence of another adult.

The United States Soccer Federation has determined that each member association must comply with all USSF organizational rules. However, each member, including OSYSA, has the right to establish their own membership requirements. In addition, the United States Federal court has ruled that a private non-profit educational organization, such as OSYSA, has the right to set eligibility requirements for their membership. Consistent with the above, OSYSA shall restrict its membership in accordance with this RMP.

This RMP shall only be applicable to those individuals who hold one or more of the positions within OSYSA as listed in the first paragraph of this Section 12.3.1 or 12.3.1 who have applied to be part of OSYSA in one of those positions. If an individual is notified that they are subject to disqualification pursuant to this RMP, that individual may withdraw their application for approval by OSYSA. Upon withdrawing their application for approval, no further action shall be taken against said individual regarding this RMP, except that the organization for whom the individual was associated shall be notified of the withdrawal of individual's application.
